

HIGH COUNTRY ROUND UP

September 13-17, 2020

The new Western Regional Chapter will be hosting the first high mountain summer rally in many years. Our location will be the beautiful Mountain Valley RV Resort in Heber City, Utah. This is a great park that is always in high demand during the summer season. Since opening a few years back, the resort has completed a new second phase of the park for adult guests only. **Unfortunately, due to high demand at this popular resort, reservations for this rally have officially closed.**

If you are interested in attending and have not already made reservations, please call the resort directly to see if they have space available for you and, if so, secure your reservation for a site directly with them before completing the registration form below. If they do not have space available, we are so sorry and will hope to see you next time.

Mountain Valley's number is 1-855-901-6100, toll free.

Please visit their web page at <https://mountainvalleyrv.com/>

Please also check out their web site for a list of the numerous things to do in the valley and the greater Salt Lake City Area. With so much to do we are taking a slightly difference tack with meals. The additional rally registration fee will cover room rental for two evening get-togethers with some food provided. We also are planning one or two meals out. The goal is to keep things flexible so everyone can enjoy the area, leave early in the morning or sleep in, and just have fun.
